RESPONSE AND AMENDMENT

Sir:

This is in response to the Official Action of 7 September 2001.

In the Claims

Please enter the following amended claims:

BC

1. (twice amended) A method of enhancing the cytotoxic effects of an antineoplastic chemotherapeutic agent, comprising transiently administering to a mammalian subject in need of such therapy a therapeutically effective amount of an NF- κ B inhibitor in conjunction with the administration of the chemotherapeutic agent, whereby the cytotoxic effect of said chemotherapeutic agent is increased compared to that which would occur in the absence of said NF- κ B inhibitor.

B2
C3

6. (twice amended) A method of enhancing chemotherapeutic cytotoxicity in a mammalian subject treated with an antineoplastic chemotherapeutic agent, comprising transiently administering to the mammalian subject a therapeutically effective amount of an NF- κ B inhibitor in conjunction with the administration of the chemotherapeutic agent, whereby the cytotoxic effect of said chemotherapeutic agent is increased compared to that which would occur in the absence of said NF- κ B inhibitor.
